Lil' Ripper Stripper™

The Lil' Ripper Stripper™ may be little in size, but it's big on function. With three separate stainless steel blades, you can rip, clip and strip Romex® with clean, quick motions. The textured Santoprene™ handle provides a comfortable, slip-resistant grip that maintains its integrity against perspiration, water, oil and chemicals. Use the specially designed Twist-Assist™ end to tighten most winged twist-on wire connectors, and integral looping holes assist for easy screw on connections.

| Part No. | Description |
